## CHUKWUEMEKA EZE

Mobile App Developer

### EDUCATION

---

#### **Bachelor of Science (B.S.) in Mathematics**

Federal University of Technology, Owerri, Imo State.  
(Completed 4 years)

#### **SSCE**

May 2015  
Zappa Basic Secondary School, Asaba.

### WORK EXPERIENCE

---

#### **Junior Mobile Developer**

June 2022 - April 2023

- Self-learned Flutter, a cross-platform framework, to build native mobile applications for Android and iOS.
- Collaborated with other developers to design and implement new app features.
- Conducted extensive testing and debugging of Flutter applications.
- Optimized Flutter applications for performance and usability.

#### **Mobile Developer Intern**

June 2023 - Present

Premium ESOWP Limited, Awka, Anambra State.

- Devoted special emphasis to punctuality and worked to maintain an outstanding attendance record, consistently arriving to work ready to start immediately.
- Collaborated with other developers in a team environment to design, develop, and debug mobile applications.

- Contributed ideas towards improving product architecture and user experience while developing native iOS and Android apps.
- Tested app performance on different devices running different versions of operating systems.
- As an intern, I collaborated closely with senior developers, playing a key role in strengthening the company's brand and identity by creating distinctive applications. These applications were designed to align with the company's vision and mission, and they contributed significantly to the overall improvement of the company's digital presence and user experience.
